## Zoo Camp Disciplinary Policy

Camp is meant to be a fun educational and recreational activity. For the benefit of all campers, it is important that children behave appropriately within the camps. If it becomes necessary to take disciplinary action against a child, the steps followed are outlined below.

- **1st incident:** The camper will receive a verbal warning and an explanation as to why their behavior is inappropriate (whenever possible this will be done away from other campers).
- **2nd incident:** Staff will determine an appropriate consequence for the camper's actions (examples may include a time out or exclusion from participating in an activity). The camper's parent will be notified of their behavior when they arrive to pick the child up.
- **3rd incident:** The child will be excused from camp without a tuition refund.

**The Camp Staff of Delaware State Parks and the Delaware Zoological Society reserve the right to bar any child from camp programs following a first incident in cases of serious behavior problems without a tuition refund.**

## Camper Code of Conduct

In order to maintain a safe and peaceful camp environment we require parents and campers to read and comprehend the importance of abiding by the following code of conduct.

*I will follow the camp schedule. I will bring only the necessary items to camp (no weapons, electronic items, valuables, etc.) I will respect counselors, directors, staff, and other campers by not using foul language, name calling, fighting or being disrespectful in any way. I will follow all safety rules set forth by the camp staff. I promise to follow all the policies and procedures as outlined in the Zoo Camp Handbook.*
